

## MESSAGE FROM YOUR PRESIDENT

Thanks to the diligent work of Nan Phillips, Chris Farley and new WAA member, Charlotte Davis, a grant application has been submitted to the Landfall Foundation. The amount requested was for \$5,955, to be used for another mural on Castle Street to be executed by the children of DREAMS, which is our outreach program.

The application also indicated that we would like to purchase more screens for our Wilmington Gallery in order that the kids at Dreams will be able to display, market and sell their artwork in a gallery setting, from time-to-time.

## Landfall Show Update

Clarification of this notice of this show.

The June 15th date was to sign up if interested in the show.

The \$15 registration fee will be collected at later time closer to the show.

## Gallery News

From the Artwork Committee:

FYI: The term 'GRANDFATHERED IN' only refers to whether you were juried in for 2D or 3D under the OLD guidelines.

The Landfall Foundation Committee decides in October who will receive funds, which are then distributed in November. Keep your fingers crossed that we will be on their list of deserving non-profit organizations. If any of you would like to look over the application, please let me know.

The last WAA meeting will already have taken place as a picnic at Halyburton Park, by the time you read this. I am very sorry to miss our final get-together, which should be great fun, but I will be away at that time. I look forward to all of you coming to our September 13th meeting, which will be at our Castle Street Gallery

Since there is no program for July or August I will be back 8/20 with something about the Sept. meeting then.

Does anyone know if the beautiful

Battenburg lace tablecloth that is at the gallery was donated, if so, by whom?

Also, are the DVD's, VCR tapes and art books that were on loan at the old gallery still in existence? Call Ruth Brune 395-6828

## NEWSLETTER DEADLINE - 20th of the month

At the WAA Board meeting it was voted to have a section of the monthly newsletter just for the Gallery, rather than having some members receive two newsletters each month. If you have any news that's fit to print, please get it to Lisa Bolick by the 20th of each month for insertion in the following month. Don't forget the web page, which is updated more frequently! Urgent news will be posted ASAP. Featured artists, send jpg images of your work.

## Workshops

Save the Date September 28 (no WAA workshops July & August)

Our own Eileen Argenbright will give a workshop on her very unusual speciality which is sand painting and mandalas. Not only is this artsy but it can be meditative. She will tell us ahead of time where to get colored sand, but we all know where to get the natural stuff!
